(C) If grant amounts remain, to units of general local government in the State; and

(D) If grant amounts remain, to other States.

(2) *Indian tribes.* Returned grant amounts that were allocated to an Indian tribe will be made available to other Indian tribes.

(3) *Territories.* Returned grant amounts that were allocated to a territory will be made available, first, to other territories and, if grant amounts remain, then to States.

(4) *Further reallocation: States, formula cities and counties, territories, and Indian tribes.* HUD will reallocate under paragraph (e) of this section any grant amounts that remain after applying the preceding provisions of paragraph (c) of this section or that are returned to HUD after reallocation under those provisions.

(5) The responsible HUD field office will announce the availability of returned grant amounts. The announcement will establish deadlines for submitting applications, and will set out other terms and conditions relating to grant awards, consistent with this part. The announcement will specify the application documents to be submitted.

(6) The responsible HUD field office may establish maximum grant amounts, considering the grant amounts available, and will rank the applications using the criteria in paragraph (e) of this section.

(7) HUD may make a grant award for less than the amount applied for or for fewer than all of the activities identified in the application, based on competing demands for grant amounts and the extent to which the respective activities address the needs of the homeless.

(8) HUD will endeavor to make grant awards within 30 days of the application deadline or as soon thereafter as practicable.

(9) Grants awarded under this section are subject to environmental review under § 576.57.

(d) *Reallocation—unused grant amounts.* Unused grant amounts will be added to the appropriation for the fiscal year immediately following the fiscal year in which the amounts become available to HUD for reallocation, and will be allocated in accordance with the provisions of § 576.5 of this part.

(e) *Selection criteria.* HUD will award grants under paragraph (c) of this section based on consideration of the following criteria:

(1) The nature and extent of the unmet homeless need within the jurisdiction in which the grant amounts will be used;

(2) The extent to which the proposed activities address this need; and

(3) The ability of the grantee to carry out the proposed activities promptly.

(f) *Definitions—returned or unused grant amounts.* (1) For purposes of this section, emergency shelter grant amounts are considered “returned” when they become available for reallocation because a jurisdiction does not execute a grant agreement with HUD for them.

(2) For purposes of this section, emergency shelter grant amounts are considered “unused” (i.e., Federal deobligation):

(i) When they become available for reallocation by HUD after a grantee has executed a grant agreement with HUD for those amounts; or

(ii) The amounts remain after reallocation under § 576.43 or paragraph (c) of this section.

### § 576.51 Matching funds.

recipient that is a State is not required to be matched, but the benefit of the unmatched amount must be shared as provided in 42 U.S.C. 11375(c)(4). Matching funds must be provided after the date of the grant award to the grantee. Funds used to match a previous ESG grant may not be used to match a subsequent grant award under this part. A grantee may comply with this requirement by providing the matching funds itself, or through matching funds or voluntary efforts provided by any State recipient or nonprofit recipient (as appropriate).

(b) *Calculating the matching amount.* In calculating the amount of matching funds, in accordance with 42 U.S.C. 11375(a)(3), the time contributed by volunteers shall be determined at the rate of \$5 per hour. For purposes of this paragraph, the grantee will determine the value of any donated material or building, or of any lease, using a method reasonably calculated to establish a fair market value.

(a)(1) *Restrictions and definition.* Period of use restrictions applicable to assistance provided under this part are governed by 42 U.S.C. 11375(a). Use of grant amounts for developing and implementing homeless prevention activities does not trigger period of use requirements.

(b) *Calculating the applicable period.* The 3- and 10-year periods applicable under paragraph (a) of this section begin to run:
